

Simpson Primary School

Parental Engagement Annual Calendar 2018-2019

This calendar provides parents/carers with information and details of the events we have planned this session to engage you in the learning of your child/children. Further opportunities which may arise throughout the session will be added to our school website. We hope you are able to attend as many events as possible and that you find them to be both informative and enjoyable. Parents/carers are especially invited to attend all assemblies whether or not your child is directly involved. More information about the learning taking place in your child's classroom and how you can support learning at home can be found in class newsletters. Weekly updates about the learning taking place in individual classrooms and the nursery are posted on our school blog.
